Request for Religious Exemption

To Whom It May Concern:

Our federal laws allow for personal religious beliefs. _____ is exercising their rights under the Title VII of the Federal Civil Rights Law of 1964, section 12, to receive religious exemption to immunizations due to their genuine and sincere religious beliefs.

The leadership of Faith Assembly of God of Orlando is writing on the behalf of _____ to confirm that his/her sincerely held religious beliefs—as a result of personal prayer and conviction—prevent him/her from receiving a mandatory COVID-19 vaccination.

We believe that our Christian standing protects the liberty of individuals and families to refuse any medical procedure or product on the basis of sincerely held concerns for known or unknown side effects, experimental or emergency uses, potential involvement in fetal cell lines whether in development or testing, or medical and/or political corruption or coercion.

We call upon all governments, schools, employers, and other institutions to respect these deeply held religious convictions by upholding this religious liberty and/or providing religious exemptions as requested.

Sincerely,

Pastor Johnnie Wilson
Lead Pastor
